

SURVIVOR RIDE 2009

Riding and striving to increase the number of cancer survivors by generating funds for research and quality care facilities.

Join us Sunday, May 17, to ride in support of our youngest fighters. The 2009 Survivor Ride will benefit the oncology department at Children's Mercy Hospital. Every dollar raised for this event will be donated to the oncology division of Children's Mercy Hospital.

**What: Spin-a-thon is an extended indoor cycling class lead by certified instructors. Use our spin bikes or bring your own bike.
Kids Event: This outdoor kids loop allows the whole family to participate in the fun!**

NEW: 30 mile loop with a 12.5 mile option.

When: Sunday, May 17, 8am-2pm, sign up for desired time frame

**Where: Woodside Health and Tennis Club, 2000 West 47th Place
913-831-9663**

Registration: \$25; Pre-register through www.active.com/donate/survivorride

Contact: Kate Chaney 816-304-3125, ktchaney@gmail.com

This event is fun for ALL fitness levels. We have individuals who ride for extended periods and groups who alternate every fifteen minutes. Most important, everyone comes together to generate funds and support children in the fight against cancer. All participants will be entered into a drawing that will occur throughout the day for various prizes. Recognition is also given to those who meet various fundraising goals. Please note, the \$25 registration will be waived for those who raise funds in excess of \$100.

For more information or to participate in this event please contact **Kate Chaney, 816-304-3125, ktchaney@gmail.com**.

"Only 35 years ago a small minority of children who developed cancer were cured. Now greater than 75% of children are cured of their cancer and can be expected to lead a full life. In this way, the area of pediatric oncology is the most exciting area of cancer research. Yet, it is also the most tragic because 20-25% of these children die without a chance to experience the vigor and spice of a full life."

*"Gerald M. Woods, MD
